

BIRCHWOOD
Healthcare & Rehabilitation Center

Compassionate, Comprehensive Care

Dedicated to your care

Thank you for showing interest in **Birchwood Healthcare & Rehabilitation Center**. Our center provides 24-hour skilled nursing services, along with comprehensive rehabilitation. Both are tailored to meet your specific needs and designed to help restore health, functioning and independence. Many people chose to come stay with us for a short time following an illness, injury or hospital stay. Others come here for ongoing quality long-term care. Whatever your needs, our caring staff is dedicated to your comfort, well-being and peace of mind.

Our goals are simple

- Keep our residents as active as possible, enjoying as many activities and events as they are interested in.
- Keep our residents connected to their family, friends and community.
- Keep our residents as mobile as possible for as long as possible, achieving the highest level of functional ability and independence possible.
